

South East Whiteshell Cemetery

Well, our community now has it's cemetery. We completed this project because some members of the community signed for a line of credit at the SCU to pay for it. We are now having to pay interest on this until it is all paid off. We are getting there with 16 niches and 19 plots sold and paid for to date.

We offered a discount of 10% off for purchases before the end of 2016, to encourage community members to help to get this project paid for.

If you are interested in this cemetery please help both yourself, in getting the reduced price, but also the committee that has taken the steps necessary to get this community cemetery operational.

I have attached the price sheet valid until Dec 31/16. Please call or email Sandy Fisette at 204-349- and she would be happy to get together with you to make your purchase. She can do it in person, by email, or by phone and Canada post.
